WELCOME LETTER

Dear Colleagues,

Greetings from Goa! We hope you are in good health and even greater spirits!

For the last few years all academic activities have been conducted under the shroud of COVID 19. We commend the EC committee of 2019-2021 for 2 consecutive virtual national conferences, which were successfully organised.

Now that the dark clouds are lifting and rays of sunshine are coming through, it is high time that we had a celebration, in person ! Goa is the perfect venue for such a long awaited celebration. So lets come together with joie de vivre to celebrate the 48th annual IAPSCON 2022 in Goa. We will provide for excellent academic discussions during the day with fun filled evenings. The organising team is putting together a wonderful advanced paediatric surgery skills workshop as pre-conference CME. We are all geared up and confident that it will be a very memorable event. We invite you to register in great numbers and enjoy a great conference, meeting old friends and making new while enjoying the academic feast.

Warm Regards,
